Help and assistance

If you have any questions regarding the design/production please get in touch with us on **sales@nothrowdesign.com**. Or if you happen to be in Barcelona come and pop by our **showroom**.

The registered owner of this design is Ryan Frank, however you are free to download the blueprints under the Creative Common License. Meaning you can copy and redistribute the blueprints in any medium or format and remix, transform, or build upon the products provided. What we would ask in return is to give us appropriate credit, provide a link to the license, and indicate if changes were made. If you remix, transform, or build upon our designs, you must distribute your contributions under the same license as the original. Our only restriction is to not use the design for commercial purposes. Find our full licensing terms here: **<https://creativecommons.org/licenses/by-nc-sa/4.0/legalcode>**

And should you have trouble finding a local Maker check out our Meet the Maker space **www.nothrowdesign.com/Meet-the-Maker**. Here you can not only find links to a Makers database by country but also trusted individuals that we have worked with before.

Happy Making!

PS We would love to see a picture of the final product in your home (send to: photos@nothrowdesign.com)
